

Sign in a Tube® Magnetic Vehicle Sign Blanks

Great for vinyl letters
and silk screening

A revolutionary packaging concept for magnetic vehicle signage.

- Convenient
- Efficient
- Protective
- Space-Saving

Protection and safety.

The simple, patented storage tube prevents your vehicle sign from being scratched, punctured, warped or misshapen and ensures your sign project the professional image you and your customers desire.

Conveniently-stored sign blanks.

- Each sturdy tube contains two 30 mil (.76mm) printable white magnetic sheets.
- Two standard sizes are offered with the choice of either rounded corners or square corners.
- Sign in a Tube® can be silk-screened or vinyl-lettered to create bold, attention-grabbing vehicle signs.
- Care and cleaning instructions are printed on the side of each tube for quick, easy reference by the user.

Our promise.

Magnum Magnetics provides superior customer service and high-quality flexible magnetic sheet, strip and custom profiles, all at competitive prices. That's our promise... and it's your assurance of satisfaction from The Force in Flexible Magnetics®.

Ask your Magnum salesperson about additional size, color, finish and top-coating options.
Tolerances: Widths: +/- .03" (.79 mm); Lengths: +/- .06" (1.58 mm)

Weatherability

Magnum® brand flexible magnetic sheeting performs well in adverse weather (such as rain, sleet and snow), and in temperatures from -15° F to 160° F (-26° C to 71° C).

Magnetization

Our state-of-the-art, multi-pole magnetization method provides optimal holding power for affixing signs to painted or coated metallic surfaces.

Magnum Also Provides...

Custom packaging, custom cut sheeting and extrusions in bulk, vinyl, paper and adhesive surfaces in a variety of colors. Ask our customer service representative for information and assistance.
