

DigiMag® VINYL Magnets For New Ideas That Stick

You can print your designs directly to the magnet for display outdoors!

Ideas That Stick. Every day.

How big is your idea? Made for wide-format solvent and eco-solvent inkjet printers, DigiMag® VINYL accommodates designs up to two feet wide and is suitable for outdoor applications. Create your artwork and print your designs directly to this technology-friendly magnetic material to eliminate the post laminating process, then simply cut. DigiMag® VINYL is available in standard thicknesses up to 30 mil to allow you to select the correct thickness for your application and your inkjet printer. We offer matte white and premium gloss white finishes. Your biggest and best ideas will stick!
